

# Vision 2020 Strategic Plan Alignment–Teaching Academy for 2017–2018

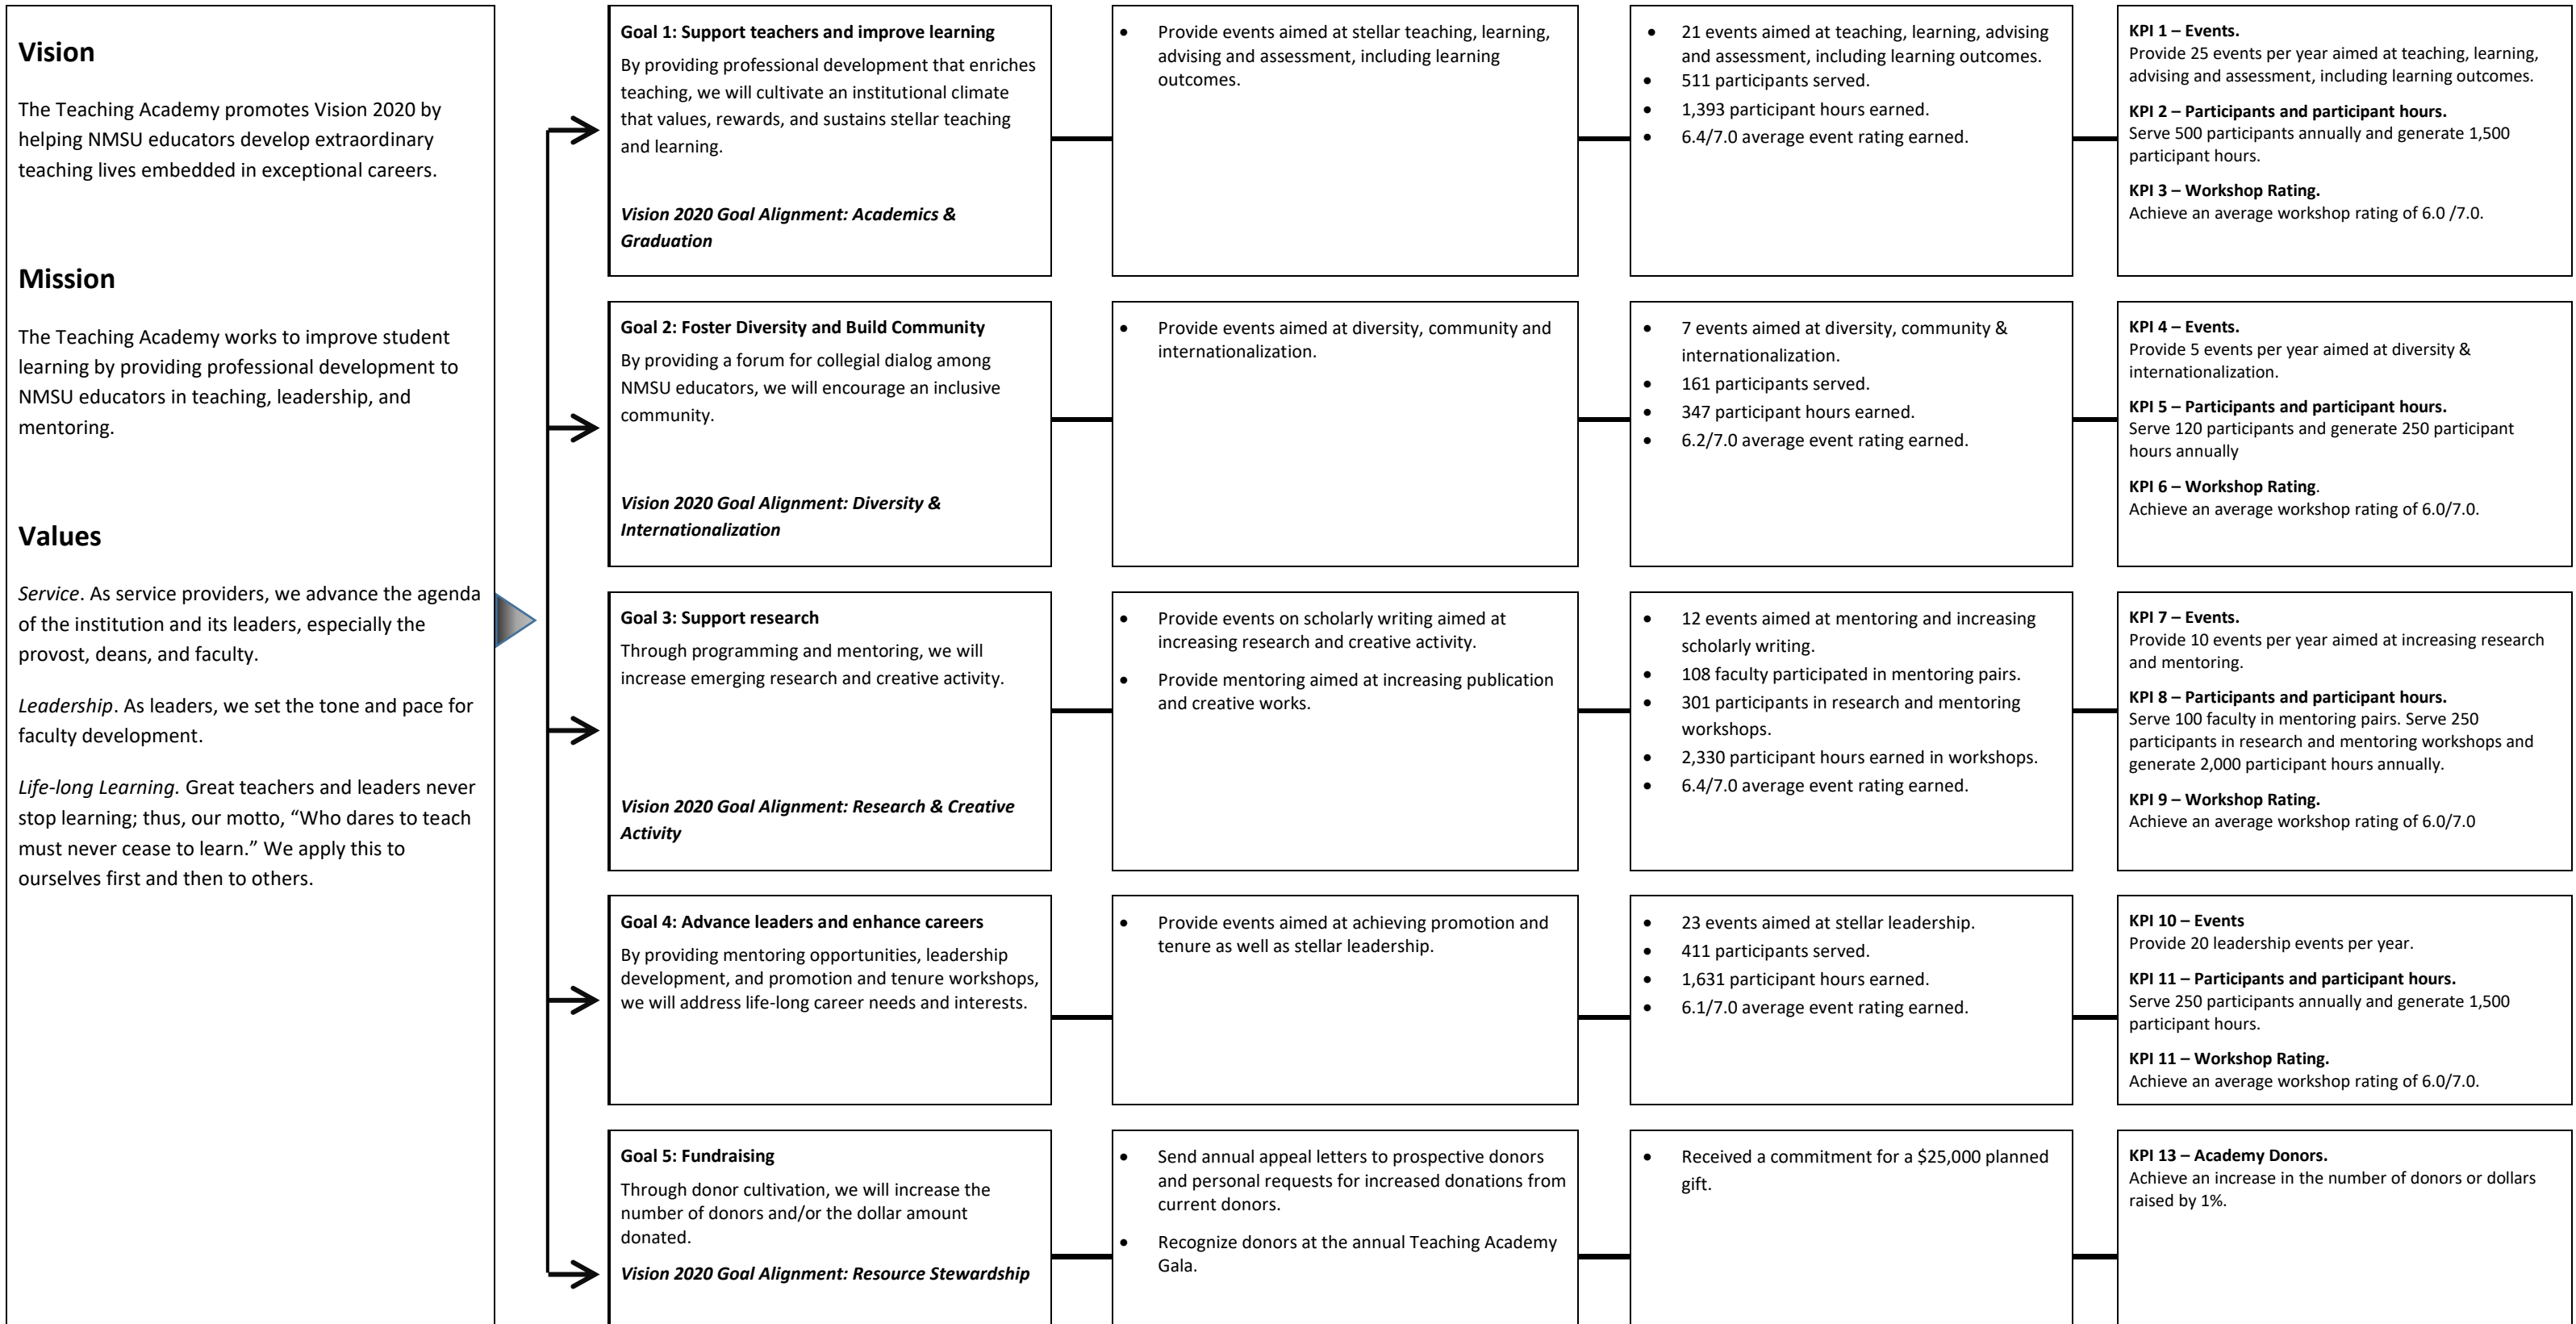

## Planning Framework

## Unit Goals, Metrics & Timeline

## Current Strategies

## Major Accomplishments

## Aspirations

**\*PLEASE NOTE:** Our overall aspiration is to provide 60 events (some of which meet multiple times) per year, 5,000 participant hours, and an average workshop rating of 6.0/7.0. These events and hours are distributed differently among the five goals every single year and not in any predictable pattern.
